I, John A. R. Cushing Master of the Ss Nevada do solemnly, sincerely and truly
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a

Subscribed to this 27 November 1887 before me, John A. R. Cushing Master of the Ss Nevada whereof

I, George Cochran Master of the S. S. "Helvetia" do solemnly, sincerely and truly Swear

A photograph of a torn, aged manuscript page. The page is divided into several vertical columns by faint lines. The text is written in a cursive script, and there are several large, stylized initials or symbols, including a prominent 'A' and a 'C'. The paper is heavily damaged, with significant portions missing from the top and bottom edges, and the left side is ragged. The overall appearance is that of an old, weathered document.

I, P. J. Irving, P.M.R.

Master of the S. S. Germanic

do solemnly, sincerely and truly

that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Swansea from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. I, Francis J. Land

Master of the

City of Berlin

do solemnly, sincerely, and truly

Swear

that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool, from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

I, R. Dander Master of the German Steamer Trade do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now presented to me by the Collector of the Customs of the District of New York, is a full and perfect list of all the passengers taken on board of the said German Steamer Trade from which port said German Steamer Trade has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as can be ascertained, with reference to the condition of each alien passenger as to a protracted sojourn in this country. So help me God.

District of the City of New York, Port of New York.

I, Frederick Watkins Master of the S. S. City of Paris do solemnly, sincerely, and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool & Queenstown from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each, and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Subscribed to this 18th day of July, 1884, at New York, whereof
John H. Gunner is Master, from London burthen 100 tons.

1682 A

District of the City of New York, Port of New York.

I, J. P. Healey Master of the S.S. The Queen do solemnly, sincerely and truly declare that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Subscribed to this 10th day of April 1888 at Liverpool whereof J. P. Healey is Master, from Liverpool burthen 2431 tons.
